Prof. Deependra Singh
Chairman, Local Organising Committee
APTICON 2026

Dear Friends, Esteemed Teachers & Beloved Colleagues,

Some conferences are merely events. Others become memories, forge collaborations, and shape the future. It is in this spirit that I have the privilege of inviting you to **APTICON 2026 - Raipur**, to be held on 24-25 October 2026 – the much-awaited gathering of India's pharmacy teaching and professional fraternity.

The theme of this convention, **"Pharma Teacher's Sankalp: Viksit Pharmacist for Atmanirbhar Bharat,"** is more than a conference title – it is our collective resolve, our Sankalp, as pharmacy teachers and professionals entrusted with shaping the next generation of the profession.

The pharmacist of tomorrow must be more than a traditional healthcare provider. Our responsibility is to nurture a pharmacist who is knowledge-driven, skilled, innovative, technology-ready, and socially responsible – one capable of contributing meaningfully to the vision of a Viksit Bharat and strengthening the ideals of an Atmanirbhar Bharat. As teachers, we are not merely teaching pharmacy; we are shaping the pharmacists who will, in turn, shape India's healthcare future.

APTICON 2026 offers each of us the opportunity to come together – to reflect, to learn, to collaborate, and to reaffirm this shared commitment.

- Let us bring our ideas.
- Let us share our innovations.
- Let us empower our students.
- And let us take a collective Sankalp for a Viksit Pharmacist and an Atmanirbhar Bharat.

Your presence will make APTICON 2026 truly special. It is with great warmth and personal anticipation that I look forward to welcoming each one of you to Raipur, and to making this gathering a memorable celebration of our profession, our fraternity, and our shared vision for the future.

Come, be a part of the Sankalp.
Come, be a part of the transformation.
Come, let us shape the future of Pharmacy – together.
See you at APTICON 2026, Raipur!

Warm regards,

Prof. Deependra Singh
Chairman, Local Organising Committee
APTICON 2026
Raipur, Chhattisgarh

Prof. Amber Vyas
Organizing Secretary, LOC
APTICON 2026

Prof. Shailesh Jain
Chairman, Sponsorship Committee
APTICON 2026

Respected Sir/Madam,

It gives us immense pleasure to invite your esteemed organization to associate with APTICON 2026, the 28th Annual National Convention of the Association of Pharmaceutical Teachers of India (APTI), being organized by the APTI Central Zone comprising Chhattisgarh and Madhya Pradesh State Branches, hosted by APTI Chhattisgarh State Branch, in association with the University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur.

APTICON 2026 is envisioned as a significant national gathering of the pharmacy fraternity, bringing together pharmacy educators, researchers, students, pharmaceutical industry professionals, regulatory experts and other stakeholders on a common platform. The convention will facilitate meaningful dialogue on contemporary developments in pharmacy education, pharmaceutical research, innovation, professional practice and the evolving needs of the healthcare and pharmaceutical sectors.

The theme of the convention, "Pharma Teacher's Sankalp: Viksit Pharmacist for Atmanirbhar Bharat," reflects a collective commitment to preparing pharmacists who are academically strong, professionally competent, innovative, ethical and responsive to the changing needs of society and the nation.

The role of the pharmacy teacher is rapidly expanding beyond conventional classroom teaching. The educator of today is also a mentor, researcher, innovator, entrepreneur, collaborator and facilitator of professional development. APTICON 2026 therefore seeks to encourage meaningful discussions on how education, research and innovation can be better aligned with emerging technologies, industry expectations and national priorities.

The convention will provide opportunities for scientific exchange, expert deliberations, research presentations, industry-academia interaction, networking, innovation and recognition of excellence. It will also provide an appropriate platform for organizations to present their products, technologies, services and innovative solutions to a diverse and professionally relevant audience.

A Call for Partnership

A national convention of this scale requires the active participation and support of the pharmaceutical and allied academia & industries. We therefore earnestly seek your valuable sponsorship and partnership to make APTICON 2026 a landmark event for the pharmacy fraternity and a meaningful contribution towards developing skilled, competent and future-ready pharmacists for a Viksit Bharat.

Your association with APTICON 2026 will go beyond conventional event sponsorship. It will represent your organization's commitment to pharmacy education, scientific advancement, innovation, professional development and the strengthening of India's pharmaceutical ecosystem.

Through sponsorship and partnership, your organization will have opportunities for enhanced visibility, professional engagement, exhibition and product demonstration, interaction with academic and research leaders, networking with industry peers, and meaningful engagement with the next generation of pharmacy professionals.

We believe that the meaningful participation of industry and other allied organizations is essential for creating a stronger bridge between classroom learning, research, innovation and real-world pharmaceutical practice. Your support can help us create an environment where ideas are exchanged, collaborations are initiated and young professionals are inspired to contribute to the nation's healthcare and pharmaceutical advancement.

APTICON 2026, being held for the first time in Raipur, is a proud occasion for the pharmacy fraternity of Chhattisgarh and Central India. We invite your esteemed organization to become an integral part of this national academic and professional endeavour.

Let us join hands to build a future-ready pharmacy profession and transform the collective Sankalp of pharma teachers into meaningful action for a Viksit Bharat and an Atmanirbhar pharmaceutical ecosystem. We sincerely look forward to your valuable support, partnership and active participation in making APTICON 2026 – Raipur a memorable and impactful national convention.
